How Spicy?

Our PERi-PERi chilli – a hot African bird's eye chilli – is mixed with fresh lemon, garlic, onion, oil and herbs to make our bastes in a range of flavours and heat. Our PERi-PERi bastes tease your taste buds with flavour first – and heat second!

Our beloved chillies are grown in rich dark soil, under the burning Southern African sun. They're our rhyme and reason – they are what make Nando's PERi-PERi Chicken so unique.

Whether you're feeling mild or wild, there's a spice with your name on it – choose your heat from the PERi-ometer.

Our cover artist

Lizette Chirime

Chirime's fabric collages are detailed and reflect her tumultuous life's journey. She often incorporates interesting, recycled and discarded materials into her artwork. Her masterpieces are informed by the negative impact the actions of humans have on the environment, and the often unappreciated role women play in society. Through them, she hopes to inspire and evoke change.
